**The Academic Excellence Award**

Character, Intellect, and Athletic Ability — Our student-athletes possess and utilize each of these qualities, forming a strong base on which to anchor their personal development. At East Carolina University, we are proud to honor the exceptional achievements of our student-athletes both on and off the field of competition.

*It is in this spirit of accomplishment that we honor our student-athletes’ academic achievements.*

The Academic Excellence Award is given to sophomores, juniors, and seniors who have earned a 3.50 or better cumulative grade point average. Each student-athlete who has achieved this goal is honored based on his or her classification at the end of the previous fall semester.

To the faculty of East Carolina University...

The Office of Student Development and the Department of Athletics wishes to thank the university faculty for their dedication and commitment to student learning. It is the passion, enthusiasm and determination to which you carry out your craft that inspires our student-athletes and all students of this university to attain academic excellence in the classroom. It is also from this inspiration that you guide our scholars to become not only successful professionals but community leaders as well.
